== Career and family == b0d8db9a54 The show was controversial, with both the feminist National Organization for Women (NOW) and the conservative Media Research Center (MRC) condemning the program. Following the broadcast, it was alleged that the supposed multi-millionaire, Rick Rockwell, had embellished claims about his professional and financial success, and it was subsequently found that he had been the subject of a restraining order from a previous partner, which had not been discovered by Fox during a background check. Fox later admitted they felt it a nonissue as Rockwell honored the restraining order as it expired without issue. The contest's winner, Darva Conger, expressed regret for taking part in the program and her marriage to Rockwell was annulled. b0d8db9a54 == History == b0d8db9a54 == Early life == b0d8db9a54 After its world premiere at the Telluride Film Festival and later screenings at the Toronto International Film Festival and the London Film Festival, Slumdog Millionaire had a nationwide release in United Kingdom on 9 January 2009, in India on 23 January 2009, and in the United States on 25 January 2009. The authors compare the behavior of those they call "UAWs" (Under Accumulators of Wealth) and those who are "PAWs" (Prodigious Accumulators of Wealth). They found that millionaires are disproportionately clustered in middle-class and blue-collar neighborhoods and not in more affluent or white-collar communities. This came as a surprise to the authors, who anticipated the contrary. Stanley and Danko's book explains that high-income white-collar professionals are more likely to devote their income to luxury goods or status items, thus neglecting savings and investments. b0d8db9a54 A follow-up to his earlier The Millionaire Next Door, Stanley draws upon research of North America's affluent to examine the ideas, beliefs and practices of the segment of the financial elite. His findings are contrary to common belief, noting for example that high-wealth Americans typically

use little or no consumer credit and tend to avoid conspicuous consumption of high-cost or high-status items. While *The Millionaire Next Door* focused on those with a net worth of at least US\$1 million, *The Millionaire Mind* emphasizes those with a net worth of at least US\$10 million. b0d8db9a54 Carpenter was born in Hamden, Connecticut.
