Abortion law by country As of 2025, countries that legally allow abortion on request or for socioeconomic reasons comprise about 60% of the world's population. In 2024, France became the first country to explicitly protect abortion rights in its constitution, while Yugoslavia. Europe Archived 5 May 2021 at the Wayback Machine, International Planned Parenthood Federation (IPPF), September 2012 Abortion Laws, United Nations Economic
Abortion laws vary widely among countries and territories, and have changed over time. Many countries and territories that allow abortion have gestational limits for the procedure depending on the reason; with the majority being up to 12 weeks for abortion on request, up to 24 weeks for rape, incest, or socioeconomic reasons, and more for fetal impairment or risk to the woman's health or life. Such laws range from abortion being freely available on request, to regulation or restrictions of various kinds, to outright prohibition in all circumstances 2befd45389

Internal audit Internal auditing might achieve this goal by providing insight and recommendations based on analyses and assessments of data and business processes. Professionals called internal auditors are employed by organizations to perform the internal auditing activity. It helps an organization accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. With commitment to integrity and accountability, internal auditing provides value to governing bodies and senior management as an objective source of independent advice. philosophy, theory and practice of modern internal auditing as defined by the International Professional Practices Framework (IPPF) of the Institute of Internal auditing is an independent, objective assurance and consulting activity designed to add value and improve an organization's operations 2befd45389

In the South Korean political system, although there are not as many female politicians as male politicians, the female politicians have recently begun to participate more actively than in the past. For instance, in the National Assembly, women formerly occupied 20 of the 299 seats, less than 10%. After... 2befd45389 HIV/AIDS discrimination takes many forms such as blood donation restrictions on at-risk populations, compulsory HIV testing without prior consent, violations of confidentiality... 2befd45389 International Planned Parenthood Federation 2befd45389 In a 2013 UNICEF report covering 29 countries in Africa and the Middle East, Egypt had the region's highest total number of women that have undergone FGM (27 million), while Somalia had... 2befd45389 The Chartered IIA works closely with the Global Institute of Internal Auditors based in Orlando, Florida, and support the International Professional Practices Framework (IPPF) and are bound by a code of ethics. 2befd45389 Prevalence of female genital mutilation "Knowledge, attitudes and practices of female genital mutilation/Cutting among health care professionals in the Gambia: A multiethnic study" Female genital mutilation (FGM), also known as female genital cutting (FGC), female genital mutilation/cutting (FGM/C) and female circumcision, is practiced in 30 countries in western, eastern, and north-eastern Africa, in parts of the Middle East and Southeast Asia, and within some immigrant communities in Europe, North America and Australia, as well as in specific minority enclaves in areas such as South Asia and Russia. Isabelle (2013). The WHO defines the practice as "all procedures that involve partial or total removal of the external female genitalia, or other injury to the female genital organs for non-medical reasons. " 2befd45389

Purported justifications for compulsory sterilization have included population control,

eugenics, limiting the spread of HIV, and ethnic genocide. 2befd45389

Sex education under the auspices of Santé sexuelle Suisse – the Swiss branch of IPPF (International Planned Parenthood Federation) – to look for and propose possible Sex education, also known as sexual education, sexuality education or sex ed, is the instruction of issues relating to human sexuality, including human sexual anatomy, sexual activity, sexual reproduction, safe sex, birth control, sexual health, reproductive health, emotional relations, emotional responsibilities, age of consent, and reproductive rights 2befd45389

Forced sterilization can also occur as a form of racial discrimination. While not always mandated by law (de jure), there are cases where forced sterilization has occurred in practice (de facto). This distinction highlights the difference between official policies and actual implementation, where coerced sterilization take place even without explicit legal authorization... 2befd45389

Discrimination against people with HIV/AIDS with HIV. Moreover, these negative stigmas become used against members of the LGBTQ+ community in the form of stereotypes held by physicians. Individual country reports Discrimination against people with HIV/AIDS or serophobia is the prejudice, fear, rejection, and stigmatization of people with HIV/AIDS (PLHIV people living with HIV/AIDS). The PLHIV Stigma Index was developed by GNP+, ICW, UNAIDS and IPPF in 2008, and is utilized in over 100 countries. The consequences of societal stigma against PLHIV are quite severe, as HIV/AIDS discrimination actively hinders access to HIV/AIDS screening and care around the world. Marginalized, at-risk groups such as members of the LGBTQ+ community, intravenous drug users, and sex workers are most vulnerable to facing HIV/AIDS discrimination 2befd45389

Audit 2000-01-01. org. " Auditing also attempts to ensure that the books of accounts are properly maintained by the concern as required by law. 2013-09-02.
