Other vocabulary books list difficult, esoteric words that readers quickly forget or feel self-conscious about using. Many a vocabulary book lists esoteric words we quickly forget or feel self-conscious using. Features: * Word Analysis section* Idiom and Usage section* 200 Prefixes, Roots, and Suffixes* Concise, practical definitions* Great for the SAT, GRE and other entrance exams. All the words you need for success in business, school, and life. Brief Description: English offers perhaps the richest vocabulary of all languages, in part because its words are culled from so many languages. However, there is a bounty of choice words between the common and the esoteric that often seem be just on the tip of our

tongue. Here there is a bounty of choice words, between the common and the esoteric, that will flow forth, once learned. Vocabulary 4000 brings these words to the fore. It is a shame that we do not tap this rich source more often in our daily conversation to express ourselves more clearly and precisely 3831425ae8

You will see and hear how English sounds--enabling you to become more and more comfortable conversing with native English speakers as you go through the program. The 45-minute DVD introduces you to mouth and jaw exercises to prepare you for English, then demonstrates mouth formations and tongue placement using other nonnative speakers like you. Reduce your accent when pronouncing English, with the expertise from an acclaimed specialist in the area Developed by acclaimed speech consultant and accent specialist Susan Cameron,

Perfecting Your English Pronunciation features her successful method, which focuses on the anatomical placement of sound and on the musculature used in articulation. Where other accent reduction/English pronunciation products rely on solely mimicking of audio sounds, this work focuses visually, audibly, and narratively on the physical ability to speak English, noting that many sounds of English may be difficult for you because some tongue positions used in English may not be used in your native language 3831425ae8

We're a nation that bottles things up, dismissing anger, frustration, hatred and guilt as largely insignificant to our minds and bodies. This easy-to-follow, plain-English guide shows you why and how emotions can leave a physical scar, and talks about various life factors and influences that can lead to emotional stress. " "I feel guilty when I remember what I said to him" "I'm so angry I can't bear it" Usually, we don't feel that we can discuss these hurtful emotions, such as guilt, anger or jealousy, with our friends and families, let alone go to a GP for advice on dealing with them. But powerful emotions like these do affect us in a long-term way, not only mentally but also physically, and it's important to know how to get them under control before our health really suffers. It will help you heal your emotional traumas with a toolkit of strategies, and allows you to take care of your health with a practical, hands-on approach
