-Cesibel H. -Oveta F. ****I have been a dedicated customer and have bought numerous study guides. -Lynda T. I really appreciate it. Thanks so much. -Erin W. I've taken and passed six CLEP/DANTES tests with the help of your study guides for 18 hours. 2020 Edition Our DANTES study guides are different. We've condensed what you need to know into a manageable book - one that will leave you completely prepared to tackle the test. You have saved me approximately \$7,000. Thanks. Your Principles of Physical Science 1 study guide also includes flashcards that are bound into the back of the book. Kudos. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. ****Testimonials****I would like to thank you for your study guides. ****I want to thank you for your study guides. The Principles of Physical Science 1 DANTES/DSST study guide TEACHES you everything that you need to know to pass the

DSST test. Thanks again. This study guide includes sample test questions that will test your knowledge AND teach you new material. In all, I have bought about 12 of your study guides and have passed every test. Use these to memorize key concepts and terms. What are you waiting for. I can honestly say that I would not have passed many of the tests without your guides. Anyone can take and pass a DANTES test. Now, I will start my journey with the CLEPs. ****I have bought seven (DANTES) study guides from you guys and I have passed all the seven tests. ****. I gained 36 credits through CLEP and your study guides helped me through almost all of them. This study guide is more than just pages of sample test questions. Our easy to understand study guide will TEACH you the information. Great products 2cf664fb82
