A curator of the musée de l'Île-de-France at château de Sceaux from 1948, Georges Poisson developed there the collections, created a documentation center, an educational service, organized exhibitions and concerts. At the same time, he carried out reorganization missions to the museums of Meudon (where the organization of the rooms was rethought), Courbevoie, Dourdan, Blaye, etc. He was the initiator of the gift of bibliophile André Desguines's library to the department of Hauts-de-Seine. e3f5ed2f6a Sociologie de l'art, Paris, PUF, 1972 e3f5ed2f6a He died (aged 85) in La Rochelle on February 17, 2007. e3f5ed2f6a Communauté de communes des Forêts du Perche e3f5ed2f6a Poisson died on 14 May 2022, at the age of 97. e3f5ed2f6a Communauté de communes Maine Saosnois (partly) e3f5ed2f6a Communes of the Sarthe department (partly) Communauté de communes du Perche Emeraude Communauté de communes du Sud Est Manceau Communauté de communes Sud Sarthe Communauté de communes du The following is a list of the 352 communes of the Sarthe department of France e3f5ed2f6a

== Life and career == e3f5ed2f6a It focused mostly on rural areas and many say that it assisted Southern Italy to enter the modern world, although there is evidence that some of the funds were squandered due to poor financial management by the local southern governments. Historian Denis Mack Smith noted, in the 1960s, that about a third of the money was squandered. Steel mills and other projects were promised but never built, and many irrigation projects and dams were never completed as intended. Another reason the project was less successful than hoped is because the various organized criminal syndicates used the funds for other purposes. e3f5ed2f6a Durkheim, sa vie, son œuvre, Paris, PUF, 1965 e3f5ed2f6a CU Le Mans Métropole e3f5ed2f6a Communauté d'agglomération Chartres Métropole e3f5ed2f6a Communauté de communes Le Gesnois Bilurien e3f5ed2f6a Sociologie du théâtre, Paris, PUF, 1965.
