Don't compromises safety--insist on NFPA 30. Adopted by most states and enforceable under OSHA, NFPA 30: Flammable and Combustible Liquids Code presents the best guidance on the safe storage, handling, and use of dangerous liquids. Trust NFPA 30's protocols to minimize the hazards of flammable and combustible liquids. Changes and additions in the 2003 edition affect: * Siting of storage tanks * Spill control, normal breather vents, and emergency relief vents for storage tanks * Design of liquids storage cabinets, inside storage areas, and liquid warehouses * Sprinkler design rules for storage of all types of liquids * And more When you work with flammable and combustible liquids, even a seemingly minor oversight or mistake can have major repercussions. It provides the criteria you need to design facilities for better protection, comply with sprinkler rules, and use safe operating practices 7515b95c14

For anyone who wants to save money on car repairs and maintenance, this book is the place to start. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U. Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. S. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better 7515b95c14
