Walker's Manual of Far Western Corporations & Securities 20f04db0f2

It is relatively inexpensive, exceptionally reliable and accurate, and easy to work on, and parts are widely available. This work is easy to do, even for people with little or no machining or gunsmithing experience, and it is inexpensive. But as good as these versatile little rifles are, they can be made even better with a little work on their triggers, actions and barrels. And after you have customized your 10/22, why not go the extra step and add a legal suppressor so that you can use your rifle for animal control, in survival situations or just to save your hearing. 22-caliber rifles of all time. The Ruger 10/22 is one of the most popular. With this book and very little time, effort and money, you can turn your Ruger 10/22 into the ultimate do-anything weapon 20f04db0f2

Any person can, with a few simple tools and the instructions contained within this book learn how to handload. The reasons for handloading ammunition may be summed up as (a) permitting one to obtain the greatest possible accuracy from his rifle, pistol or revolver and (b) providing one with an abundance of ammunition at small expense. If you have a firearm that you do not shoot as much as you would like to because of the expense, it will pay you to reload your fired cartridge cases 20f04db0f2
