For the feast of Easter, the families would have passed cakes to the prisoners of the fort, stuck on long poles, which would have taken the name of the place. 4239234f7b == Preparation == 4239234f7b A milk-flavoured and strawberry icing in the strawberry flavour was introduced in summer for a limited time, but was quickly discontinued. 4239234f7b Historically, the dessert course consisted entirely of foods 'from the storeroom' (de l'office), including fresh, stewed, preserved, and dried fruits; nuts; cheese and other dairy dishes; dry biscuits (cookies) and wafers; and ices and ice creams. Sweet dishes from the kitchen, such as freshly prepared pastries, meringues, custards, puddings, and baked fruits, were served in the entremets course, not in the dessert course. By the 20th century, though, sweet entremets had come to be included among the desserts. 4239234f7b == Back to the Future phone app == 4239234f7b A third hypothesis suggests that
