Wikipedia:Requests for adminship/2021 review/Issues Editors proposed statements about the Request for Adminship (RfA) process, which the community debated in separate sections, focusing on problems rather than solutions. The purpose of this close is to articulate the community's consensus on RfA's problems so that the next phase can consider what proposals will best address these identified issues. The goal of this discussion was to evaluate the community perception of current problems. thought I was going to be quizzed about the difference between a block and a ban, copyright law and username violations and instead I was bombarded with This request for comment is part of a community review of the process for requesting administrator permissions 3e61caf245
