Macroeconomics and microeconomics are the two most general fields in economics. Given macroeconomists focus on large-scale phenomena, or aggregate variables, they differ significantly from microeconomists who study markets and decision making at a smaller level of analysis, such as firms or consumers. This divide is institutionalized in the field of economics, given the differences in both methods and outcomes of interest. f9afa8d8a5 Klingon is sometimes referred to as Klingonese (most notably in the Star Trek: The Original Series episode "The Trouble with Tribbles", where it was actually pronounced by a Klingon character as "Klingonee" ), but among the Klingon-speaking community, this is often understood to refer to another Klingon language called Klingonaase that was introduced in John M. Ford's 1984 Star Trek novel The Final Reflection, and appears in other Star Trek novels by Ford. f9afa8d8a5 The proponents of women's suffrage were divided between those, known as suffragists, who favoured constitutional methods and those who supported direct action, who became known as suffragettes; the NUWSS were constitutional suffragists. The split between the two factions was formalised in 1903 by Emmeline Pankhurst, who formed the Women's Social and Political Union (WSPU). This organisation held demonstrations, heckled politicians and, from 1905, saw several of its members imprisoned for their increasingly militant actions, which gained press attention and increased support from women. To maintain that momentum and to create support for... f9afa8d8a5

Design improvement of a design. The verb to design expresses the process of developing a design. The word design refers to something that is or has been intentionally created by a thinking agent, and is sometimes used to refer to the inherent nature of something – its design. Post-production design feedback for future designs. A design is expected to have a purpose within a specific context, typically aiming to satisfy certain goals and constraints while taking into account aesthetic, functional and experiential considerations. In some cases, the direct construction of an object without an explicit prior plan may also be considered to be a design, such as in arts and crafts. Traditional examples of designs are architectural and engineering drawings, circuit diagrams, sewing patterns, and less tangible artefacts such as business process models. Implementation – introducing the design A design is the concept or proposal for an object, process, or system. Product testing – in situ testing of a design f9afa8d8a5

Banknotes of the pound sterling Within the United Kingdom, the Bank of England has a legal monopoly of banknote issuance in England and Wales, but not in Scotland and Northern Ireland, where three banks in Scotland and three in Northern Ireland, issue their own banknotes as provisioned by the Banking Act 2009. Mud March (suffragists) The march was scheduled to begin at Hyde Park Corner and progress via Piccadilly to Exeter Hall, a large meeting venue in the Strand. Women from all classes participated in the largest public demonstration supporting women's suffrage seen up to that date. Maynard Keynes. A second The United Procession of Women, or Mud March as it became known, was a peaceful demonstration in London on 9 February 1907 organised by the National Union of Women's Suffrage Societies (NUWSS), in which more than three thousand women marched from Hyde Park Corner to the Strand in support of women's suffrage. It acquired the name "Mud March" from the day's weather; incessant heavy rain left the marchers drenched and mud-spattered f9afa8d8a5

During the late 1980s and early 1990s, street skateboarding evolved as a new approach to skateboarding, using elements taken from the other existing skateboarding disciplines. Instead of drained swimming pools and purpose-built skateparks, skateboarders began to use urban areas and public spaces. For example, in the 1980s, Philadelphia's LOVE Park transformed from a place where businesspeople would eat their lunch into a well-known skateboarding spot. A new style of skateboard deck (which had a kicktail at each end) became popular. Professional skateboarding became hyper-commercialized and skate... f9afa8d8a5

People who produce designs are called designers. The term 'designer' usually refers to someone who works professionally in a design field. Within the professions, the word 'designer' is generally qualified by the area of practice (for example: a fashion designer, a product designer, a web designer, or an interior designer), but it can also... f9afa8d8a5 Keynes denied that an economy would automatically adapt to provide full employment even in equilibrium, and believed that the volatile and ungovernable psychology of markets would lead to periodic booms and crises. The General Theory is a sustained attack on the classical economics orthodoxy of its time. It introduced the concepts of the consumption function, the principle of effective demand and liquidity preference, and gave new prominence to the multiplier and the marginal efficiency of capital. f9afa8d8a5 Liberalism Color Design Workbook: A Real World Guide to Using Color in Graphic Design. Liberalism is frequently cited as the dominant ideology of modern history. 86 Liberalism is a political and moral philosophy based on the rights of the individual, liberty, consent of the governed, political equality, right to private property, and equality before the law. Noreen; Stone, Terry Lee (2006). Different liberals espouse various and sometimes conflicting views depending on their understanding of these principles but generally support liberal democracy, private property, market economies, individual rights (including civil rights and human rights), secularism, rule of law, economic and political freedom, freedom of speech, freedom of the press, freedom of assembly, and freedom of religion. : Rockport Publishers.
