Spearfishing The Greek historian Spearfishing is fishing using handheld elongated, sharp-pointed tools such as a spear, gig, or harpoon, to impale the fish in the body. An early example from the Bible is in Job 41:7: Canst thou fill his [Leviathan] skin with barbed irons. or his head with fish spears. Early civilizations were familiar with the custom of spearing fish from rivers and streams using sharpened sticks. detail. It was one of the earliest fishing techniques used by mankind, and has been deployed in artisanal fishing throughout the world for millennia

Walker was born into a prominent Boston family, the son of the economist and politician Amasa Walker, and he... Name, age, country of citizenship at birth, subsequent country of citizenship (if applicable), reason for notability, cause of death (if known), and reference. The distinction of the "tenses" in moods other than the indicative is predominantly one of aspect rather than... Established as William M. Rice Institute for the Advancement of Literature, Science and Art after the murder of its namesake William Marsh Rice, Rice has been a member of the Association of American Universities since 1985 and is classified... 3 30 29 12 Rice University comprises eight undergraduate, graduate and professional schools, including School of Humanities, School of Social Sciences, Jesse H.
